NEW BUSINESS

1. Aaron Cook Little League Field Sun Screen

Mr. Cook asked that this issue be tabled.

Mr. Seymour said that he would like to bring up an issue. It is his opinion, he added, that the parks around town have not been taken care of properly, and he believes that this is something that this group should take seriously. He said that he has a list, and would like for the rest of the board to visit each park and add to it if they see something that needs to be done.

Mayor Mollaun said that he believes that this should be the case for not only parks, but all city owned buildings as well. Mr. Todd has been placed in charge to oversee all of this.

Mr. Todd agreed, but added that in prior years it was difficult as the money had been tied up.

2. Denise Sedler
